### our philosophy

While working in a firm which is more than 50 years old one can expect that emphasis is always on building relationship which begins with telling th truth to the client about his situation rahter than storytelling.

The Client in Khanna & Associates is always made aware of his situation , even though all the odds are against him. Khanna & Associates endeavour is to bring desired results to the client in whatever way possible.The client is made aware of all the possible outcomes which he may have to face well before advancing in the case.

### join us

We understand that as one of the world's leading employers in the legal sector our continued success depends on our most important asset – our people – which is why we take so much care in recruiting and retaining the best. Our commitment to our people is enshrined in our core values which underpin everything we do.

We offer exceptional career opportunities to lawyers, aspiring graduates and business support professionals in an environment that is challenging, rewarding and, we believe, truly different from our competitors

Wherever you meet us, you can expect one-to-one conversations. It is an opportunity to get to know partners from different jurisdictions and to find out what our culture, the work we do and what the global opportunities we offer are really like.
